PHILIP D. MURPHY
GOVERNOR

April 1, 2021

Dear Friends,

On behalf of the State of New Jersey, I am pleased to extend greetings to all those participating in the New Jersey State Interscholastic Athletic Association – Spring 2021 Championship Season.

Since its inception, the NJSIAA has remained committed to fostering and encouraging athletic and academic excellence, health and safety, cooperation and fairness, and good citizenship amongst student athletes and the athletic community it serves. Participation in high school sports and athletic activities provide an opportunity for students to learn and implement skills that serve to positively impact their development and overall success.

As Governor, I commend the NJSIAA, student athletes, and supporters for their hard work, boundless efforts, and dedication to interscholastic athletic programs and competition.

Best wishes to all for an enjoyable and memorable championship season!

My very best,

PROTECTING, PROMOTING AND PROVIDING FOR OUR HIGH SCHOOL STUDENT ATHLETES

Mission Statement

The NJSIAA, a private, voluntary Association is committed to serving all types of student-athletes, its member schools and related professional organizations by the administration of education-based interscholastic athletics, which support academic achievement, good citizenship, and fair and equitable opportunities.

We believe that member schools, along with their leagues and conferences, share these convictions:

- A safe and healthy playing environment is essential to our mission.
- Participation in interscholastic athletics enhances the educational experience of all students.
- Interscholastic athletics is a privilege.
- Excellence in both academics and athletics is pursued by all.
- Interscholastic participation develops good citizenship and healthy lifestyles, fosters involvement of a diverse population and promotes positive school/community relations.
- Rules promote fair play and minimizes risks.
- Cooperation among members advances their individual and collective well-being.
- Training of administrators and coaches promotes the educational mission of the Interscholastic Experiences.
- Properly trained official/judges enhances interscholastic competition.
- The NJSIAA is the recognized state authority on interscholastic athletic programs.
- Support Unified Sports to offer opportunities for student with and without disabilities to train and compete alongside their peers in NJSIAA sanctioned activities.

The NJSIAA is composed of **435** member high schools. It provides more than **280,000** student-athletes opportunities to participate in nearly **3,000** games, workshops, clinics and other NJSIAA-sponsored activities within a given year. The NJSIAA offers more championships for its student-athletes than any other state in the nation:

For Boys: Cross-Country, Football, Soccer, Basketball, Bowling, Fencing, Ice Hockey, Swimming, Diving, Indoor Track Relay Championships, Indoor Track Individual Championships, Wrestling, Baseball, Golf, Lacrosse, Outdoor Track Championships, Tennis, and Volleyball.

For Girls: Cross-Country, Field Hockey, Gymnastics, Soccer, Tennis, Volleyball, Basketball, Bowling, Fencing, Swimming, Diving, Indoor Track Relay Championships, Indoor Track Individual Championships, Wrestling, Golf, Lacrosse, Softball, and Outdoor Track Championships.

Competitive athletics is nothing more than playing according to a set of rules. Sports are the greatest example on earth of the practical application of the Golden Rule. Your support and encouragement of our high school sports program are earnestly invited.

M-F ATHLETIC and PERFORM BETTER
1600 Division Road West Warwick, RI 02893 800-556-7464

Dear Fellow Track & Field Fans,

It is indeed an honor for M-F Athletic to again be a sponsor of the NJSIAA Track & Field Championships.

The pride and excitement of the athletes and coaches who are participating is reflected in the support of the parents and fans who are being treated to some of the best high school track & field competition in the country.

The efforts of the administrators, officials and volunteers who organize and supervise the competition are greatly appreciated. They go mostly unnoticed because of their professionalism and efforts to create a showcase and insure fair competition for interscholastic athletics.

Some of the athletes you see competing here will become national, collegiate and possibly even Olympic champions. In fact, New Jersey has been represented at every summer Olympics at least since 1920.

And, since 1960 M-F has been involved in the sport of track & field both as a supplier and supporter through our many educational programs. Our collective enthusiasm and love of the sport is what makes us all members of the track & field fraternity.

Enjoy the meet!

Sincerely,

Jim Grogan
