PHILIP D. MURPHY
GOVERNOR

January 2022

Dear Friends,

On behalf of the State of New Jersey, I am pleased to extend greetings to all those participating in the New Jersey State Athletic Association Winter 2022 Championships.

Since its inception, the NJSIAA has been dedicated to athletic and academic excellence, health and safety, and cooperation and fairness. This organization's commitment to service continues to have a truly constructive impact on New Jersey's youth. Participating in high school sports is a great chance for students to learn many skills that will translate positively in their future development. Involvement builds character, encourages teamwork, and teaches leadership skills to student athletes.

As Governor, I commend the NJSIAA and all student athletes for your steadfast commitment, hard work and dedication, and join with each of your families, friends and fellow New Jerseyans to applaud you on your accomplishments.

Best wishes for an enjoyable season and continued success.

My very best,

Philip D. Murphy
Governor

M-F ATHLETIC and PERFORM BETTER
1600 Division Road West Warwick, RI 02893 800-556-7464

Dear Fellow Track & Field Fans,

It is indeed an honor for M-F Athletic to again be a sponsor of the NJSIAA Track & Field Championships.

The pride and excitement of the athletes and coaches who are participating is reflected in the support of the parents and fans who are being treated to some of the best high school track & field competition in the country.

The efforts of the administrators, officials and volunteers who organize and supervise the competition are greatly appreciated. They go mostly unnoticed because of their professionalism and efforts to create a showcase and insure fair competition for interscholastic athletics.

Some of the athletes you see competing here will become national, collegiate and possibly even Olympic champions. In fact, New Jersey has been represented at every summer Olympics at least since 1920.

And, since 1960 M-F has been involved in the sport of track & field both as a supplier and supporter through our many educational programs. Our collective enthusiasm and love of the sport is what makes us all members of the track & field fraternity.

Enjoy the meet!

Sincerely,

Jim Grogan

- A safe and healthy playing environment is essential to our mission.
- Participation in interscholastic athletics enhances the educational experience of all students.
- Interscholastic athletics is a privilege.

- Interscholastic participation develops good citizenship and healthy lifestyles, fosters involvement of a diverse population and promotes positive school/community relations.
- Rules promote fair play and minimizes risks.
- Cooperation among members advances their individual and collective well-being.
- Training of administrators and coaches promotes the educational mission of the Interscholastic Experiences.
- Properly trained official/judges enhances interscholastic competition.
