M-F ATHLETIC CO. 1600 Division Road West Warwick, RI 02893

Dear Fellow Cross Country Fans,

It is indeed an honor for M-F Athletic to again be a sponsor of the NJSIAA Cross Country Championships.

Most of us will only get to see the start and finish of these races today, but make no mistake; there is a lot that happens in between. Just as in life, these athletes are learning that it is the journey along the way that matters most. The hard work and perseverance that it takes to be successful here will go a long way towards preparing them for many future challenges.

To the athletes and coaches – good luck and continued success in pursuing all of your goals.

To the parents and fans – cheer the runners on with pride and the knowledge that they are giving it their best.

To the officials, volunteers and park personnel – thank you for providing a safe, fair and enjoyable experience for the athletes and spectators alike.

To the winners – congratulations! You have achieved the highest level of success against some of the best competition in the country and have earned a place in New Jersey sports history.

Since 1960 M-F has been involved in the sports of track & field and cross country as an equipment supplier and a supporter through our many educational programs. The journey continues for us as well.

Enjoy the meet!

Sincerely,

Jim Grogan

Hello, my name is Al Buciorelli, Chief Operating Officer of American Athletic Track and Turf.

I am proud to say that 2023 represents our 41st anniversary of setting out to develop a company whose core goals would be to consistently construct the highest quality outdoor sports facilities in the industry and create a work environment where employees would know that their contributions to our goals are valued at the highest level possible.

It is our sincere belief that these goals and our philosophy of “seek perfection, accept nothing less than excellence” has differentiated us from all of our competition.

With 13 national awards and thousands of award-worthy installations up and down the east coast, I know that no other company has the desire, capability, and experience to protect your hard earned dollars the way American Athletic Track and Turf has been so honored to do so over these many years.

Please know when you engage our firm today, nothing has changed since our inception, and our sole goal will be to construct your new facility to the highest standards achievable and where safety, performance, longevity, and value are maximized to the fullest extent.

Similar to our commitment to excellence in our work, we are equally as proud to be partner with a first class organization in the NJ State Interscholastic Athletic Association. On behalf of American Athletic Track and Turf, I want to wish all members, coaches, and athletes the best of luck these championships weekends. Play for everything. Play for nothing. Play to join. Play to escape.
Play to win. Play to learn how to lose. Play to prove. Play to improve.
Play to show them. Play to show yourself. Whatever you play for,
however you play. Play inspired.

Install carbon monoxide
detectors in your home.

Carbon monoxide can't be seen or smelled. When fuel burning appliances aren't working right, gas can build up and cause sickness or even death. Carbon monoxide detectors are the best way to keep your family safe. If a detector goes off, leave your home immediately and call 911.
